Selectman's Secretary	3.00 per hour
Treasurer	250.00 per year
Town Clerk	750.00 per year plus fees
Tax Collector	900.00 per year
Secretary of Trust Funds	200.00 per year
Health Officer	3.00 per hour
Auditors	25.00 per audit
Election of Officers	20.00 per election
Supervisors of Checklist	2.00 per hour
(VOTED YES)	

ARTICLE XI Motion by Norman Freeman and seconded by Joseph Perry that the Town raise and appropriate the sum of \$2,000.00 to improve water holes and install dry hydrants.
(VOTED YES)

ARTICLE XII Motion by Frederic Smith and seconded by Joseph Perry that the Town change the term of office for the Town Clerk from one year to three years.
(VOTED YES)

ARTICLE XIII Motion by Richard Pelley and seconded by George Fitzgerald that the Town raise and appropriate the sum of \$100.00 to defray the expenses of the Conservation Commission.
(VOTED YES)

ARTICLE XIV Motion by William Osgood and seconded by Archie Osmond that the Town vote to close, subject to gates and bars, the following Class VI Roads and/or ways used as Class VI Roads or the designated portions thereof:

1. The Fish Road, so called, from Route No. 107A to a point 50 feet westerly of the westerly side of the driveway of Lamb.

2. The Philbrick Road, so called, from Route No. 108 to a point 50 feet southerly of the southerly side of the driveway of Lee.

(VOTED YES)

ARTICLE XV Motion by Daniel Bodwell and seconded by Joanne Perry that the Town accept the reports of the Town Officers and Auditors as printed in the Town Reports.

(VOTED YES)

ARTICLE XVI Motion by William Osgood and seconded by Wilma Young that the Town vote to authorize the Selectmen to appoint a Committee to act as a Historical Commission.

I
(VOTED YES)

Motion by Richard Pelley and seconded by Joseph Perry, that the Town accept the following report on behalf of the Conservation Commission.

"The East Kingston Conservation Commission had regular monthly meetings during the past year, excepting July and August.

"We have been engaged in one major project. We have taken a map of our Town and divided it by means of a grid as you see displayed on the wall of the hall.

"Each square can be identified by a number and letter. For each square we have a file card which carries the details of that plot of land.

"On the front of the card are the physical features, and on the back are the man made features. There is about fifty-five acres in a block so the possible amount of data can be very complete."

(VOTED YES)

Motion by Annette Donovan and seconded by Wilma Young that a committee to be known as the East Kingston Bi-Centennial Committee be appointed by the Moderator, consisting of five (5) members to plan and co-ordinate the participation of the Town in the Bi-Centennial celebration of our Country during the year 1976, said

Committee to report back to the Annual Town Meeting in 1974.

(VOTED YES)

Motion by Annette Donovan and seconded by Wilma Young that the Town vote to direct the Conservation Commission to study local and regional problems of solid waste disposal and related subjects and to report their findings to the Town at the next Annual Meeting.

(VOTED YES)

Wilma Young, on behalf of the Townspeople, thanked Frederic L. Smith, Chairman of the Board of Selectmen, for all he has done for the Town of East Kingston during his term of office.

A Motion by George Fitzgerald and seconded by Richard Brailsford, that the unexpended Appropriation of \$900.00 remaining at the end of 1972 for using Pound School as a Library be returned to General Funds.

(VOTED NO)

Motion by Frederic Smith and seconded by James Grey, that the unexpended portion of the Fire Training Appropriation in the sum of \$2,529.25 be returned to the General Fund.

(VOTED YES)

Motion by Frederic Smith and seconded by Wilma Young, that the unused portion of the Reappraisal Appropriation amounting in the sum of \$1,315.47, be returned to General Funds.

(VOTED YES)

Motion entertained by the Moderator that if there was no other business to legally come before this meeting, we return to Article I for the counting of the ballots and adjourn the meeting.

Motion by Richard Brailsford and seconded by James Grey, that we return to Article I for the counting of the ballots and that the meeting be adjourned.
(VOTED YES)

The meeting was adjourned at 9:02 P.M.

A true record

Patricia A. Hubka
Town Clerk

SELECTMEN'S REPORT

Town of East Kingston, N.H.

The following is a brief outline of the procedures enacted, decisions made, and problems considered during the past year.

All bills must be submitted to the Selectmen by the 15th of the month. This procedure enables the Selectmen to anticipate the financial needs for the ensuing month and provides a means of efficient administration of the Town's savings account.

Due to dissatisfaction with past assessing practices of the State Tax Commission in assessing alterations and additions to existing properties, the Selectmen have hired a private assessor. Results were encouraging and it is expected to continue the practice this year.

A new procedure has been adopted with reference to building permits. In addition to completing the permit as is currently required, the Selectmen require working plans of the proposed Septic System prior to their submission to Concord. This practice will permit the Selectmen to inspect the site prior to excavation and offer their opinions as to its suitability. Permit fee for this function: \$5.00 for each visit made to each site.

At the request of Fire Chief Belcher, a new procedure has been adopted on the Building Permit. This procedure will require that all new installations of oil burners and oil storage tanks be subject to a safety inspection by the Fire Department.

Revenue Sharing Appropriations were also spent this year. Top priority was given to Town Road Maintenance which included Grader Work, Penetration and Sand, and Seal Coat Applications to many of the Town Roads. Also, appropriations for converting the Pound School to a Library, and the purchase of Office Equipment for Town Officers were made. Equipment purchases included the following: Electric Typewriter for Town Clerk; Fire Proof Safe for Selectmen; Calculator for Tax Collector; Electric Adding Machine for Selectmen.

A Committee was appointed to consider proposals for a Tax Map. Meetings have been held over the past few months with various firms that prepare Tax Maps and with surrounding Town Officials to determine the savings to the Town if several Towns jointly acquire a firm for mapping.

In 1974 the Board hopes to see proposed new business finalized or under consideration before the next Town Meeting. These would include:

Planning Board:

Review of Sub-division Regulations.

Preliminary work on Master Plan.

Tax Map Committee:

Formal proposal for preparation of the Tax Map.

Respectfully Submitted:

William R. Osgood, Chairman

Daniel T. Bodwell

David C. Andrzejewski

Trustees' Report on Library East Kingston, N. H.

1973 was a productive year for the East Kingston Public Library.

The Pound School was turned over to the Town in late February, 1973, for use by the Library.

\$500.00 was voted to refurbish the building and the Selectmen allocated \$1,000 of the Revenue Sharing Funds received from the government to this use.

New bookcases were built in every available space around the perimeter of the room. All was painted in two shades of green.

A desk and two tables were purchased from government surplus materials. Four old desks and chairs were left by the School Board. A generous donor gave a wall-to-wall commercial grade carpet. A friend gave a children's table and six chairs. Another gave six more chairs. The Friends of the Library gave a card filing cabinet. The Selectmen contributed a clock from the Town Hall.

We used all of the \$1500.00 in the renovation, but need more bookcases, hence the request on the budget.

We still are a long way from the state requirement of being open 12 hours per week, but we hope to make it eight hours, this year.

The report of books and magazines purchased and circulated may be found in the Librarian's Report. The financial statement is in the Treasurer's report.

MARGARET C. TILTON
Chairman, Board of Trustees

Report of the East Kingston Friends of the Library

Friends of the Library are a group of people with a friendly interest in the improvement of the library service, organized with the approval of the librarian and the board of trustees for the purpose of promoting the library program. Friends participate in activities and services which will stimulate interest in and benefit the library.

This year with the occupying of the Pound School, for the East Kingston Library, the Friends have been able to work harder for the benefit of the library. After having bake sales and a Flea Market at the Lobster Festival, we were able to realize enough money to donate a card catalog and a stand for the library.

With the help of the librarian, Mrs. Patricia Brinkerhoff, the state librarian came in and explained cataloging to the Friends. We are now hard at work typing cards and cataloging each book in the library.

This year we continued "Story Hours" and have had a great response from the children of the town. We hope to continue this on a regular basis with the children as well as adults participating in the program.

In December we had a workshop for decorating the library. Many interested people in town brought greens to help make swags and wreaths for the windows. The children also brought ornaments which they made to help decorate the tree inside the library.

The Friends have started a service for people who are unable to get to the library, of taking out and returning books for them.

The Friends anticipate a more active year in 1974.

Respectfully submitted,

JANET L. STANHOPE
Pres., Friends of the Library

Town Warrant

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of East Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The East Kingston Town Hall in said East Kingston on Tuesday, the Fifth day of March next at ten of the clock in the forenoon to act upon the following subjects: (Business Meeting to begin at 7:00 p.m.)

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to adopt the Changes and/or Amendments to the Zoning Ordinance as proposed by the Planning Board.

The Changes and/or Amendments are as follows:

1. Amend Article II, Definitions as follows:

a. Change definition of Building to read:

"Building. Any structure enclosed and isolated by exterior walls constructed or used for residence, dwelling, business, industry, other public or private purposes, or accessory thereto, excluding structures for storage of crops."

B. Change definition of Dwelling to read:

"Dwelling. A building or part of a building or a mobile home which contains living and sleeping accommodations for permanent occupancy including separate kitchen and toilet facilities.:

C. Change definition of Mobile Home to read:

"Mobile Home. Any complete dwelling unit, exclusive of attachments or additions, designed for permanent occupancy for one or more persons, and

constructed so as to permit its being relocated by transporting upon a public street. Such a unit is equipped with running water and sanitary facilities such as bath and toilet."

D. Change definition of Residence to read:

"Residence. A building other than a mobile home which is constructed at the site or may be erected from prefabricated parts or two or more modules permanently joined at the site, no one module of which itself meets the requirement of a dwelling."

2. Add new Article III-A, Controlled Growth, which shall read:

ARTICLE III-A

CONTROLLED GROWTH

To control the growth of the Town in a manner not to exceed the capacity for providing the expanded services to support such growth, the following restrictions are set:

A. Building permits for new dwellings are limited annually to 5% of the number of dwellings in the town at the start of each calendar year.

B. Said permits will be limited to four (4) per developer, within a calendar year.

C. Mobile home permits will be issued from the above allocations in apportionment not to exceed the current ratio of mobile homes to residences as of the date this article is approved.

D. Permits for non-dwelling construction or permits for the expansion, alteration or replacement of existing dwellings will not be affected by this article.

3. Amend Article VI, Lot Area and Yard Requirements by adding a new paragraph E to read:

E. Each building lot shall have its own driveway accessing onto a street or highway according to state and town regulations before building thereon. This shall be a condition of the building permit.

4. Amend Article VIII as follows:

A. Add a title "Building Inspector and Permits";

B. Change paragraph A. to provide:

(1) ". . . any such permit shall be void unless the work is started within three (3) months of the date of issuance. The outside of the structure must be completed within twelve (12) months of the issuance of the permit."

(2) Change sub-paragraph 2 to read:

"2. Any person commencing work on the alteration of any building or structure to be used for dwelling or any other lawful purpose where the project itself exceeds \$1,000.00 in value."

C. Change paragraph B by striking out the last sentence and adding the following:

"Mobile homes shall be supported in one of the following manners;

1. By cement pilings or blocks upon a full size concrete pad with the full perimeter enclosed by a permanent skirting material.

2. By a regular permanent foundation upon a permanent footing, both constructed of suitable masonry work."

D. Change paragraph E by striking out the last sentence and adding the following:

". . . Fees shall be \$5.00 if over \$1,000.00 in value plus \$1.00 for each thousand in value over \$5,000.00."

3. To see if the Town will vote to raise and appropriate the sum of \$37,978.00, less estimated revenues to defray Town charges for the ensuing year.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to authorize the Selectmen to apply for, contract for, accept and expend aid from the Federal and State governments in the event a declared disaster occurs within the Town; the authority herein granted to remain in effect until changed by future Town vote.

6. To see if the Town will vote to spend Revenue Sharing Funds, estimated to be in the amount of \$11,700.00, including \$386.35 Interest on the Revenue Sharing Account and \$1,347.44 unappropriated funds for 1973; said funds to be allocated for the following project or projects at the discretion of the Selectmen.

Fire Truck:	\$3,500.00
Town Office Equipment	1,200.00
Library:	1,000.00
Tax Map:	6,000.00

7. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the Fire Department and the unused portion be put in the Truck Fund.

8. To see if the Town will vote to raise and appropriate the sum of \$3,800.00 to pay the firemen for fire calls and training and the unused portion to be put in the Truck Fund.

9. To see if the Town will vote to raise and appropriate the sum of \$206.24 against the State Appropriation of \$1,374.93 for Class V Road Assistance.

10. To see if the Town will vote to appropriate a sum not exceeding \$13,000.00 for the purpose of making improvements to the following Class V roads within the Town; Inv. #66 Willow Rd. 54+50 to 84+25 0.56 mi. gravel & surface, such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 33 and Chapter 241, New Hampshire Revised Statutes Annotated, as amended and as applicable and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of East Kingston.

11. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Seacoast Regional Counseling Center.

12. To see if the Town will vote to raise and appropriate the sum of \$880.00 for the Exeter Visiting Nurse Association.

13. To see if the Town will vote to raise and appropriate the sum of \$100.00 to defray the expenses of the Historical Committee.

14. To see if the Town will vote to rescind and declare null and void all prior Town Votes establishing fees for Cemeteries and Burial Lots and/or Grave Sites relating to the Hillside Cemetery, so-called, and to vest in the Board of Selectmen the authority to establish said fees in the future, the monies so derived from Burial Lots to be held in trust and the income therefrom used towards the general upkeep of said cemetery.

15. To see if the Town will accept the reports of the Town Officers and Auditors as printed in the Town Reports.

16. To transact any business that may legally come before this meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and 74.

DANIEL T. BODWELL
DAVID C. ANDRZEJEWSKI
Selectmen of East Kingston

Report of the Forest Fire Warden and District Chief

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 p.m. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool, but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

Forest Fire Record:

	State	District	Town
Fires reported	617	183	7
Acres burned	244	88	2¼
Acres average size	.395		

RALPH STEVENS
District Fire Chief
RICHARD A. SMITH
Forest Fire Warden

Activities of the Fire Department For 1973

Red Phone or Fire Phone — 642-5266

This year we answered 28 Fire Calls.

We held 12 training meetings, one a month for two hours;

participated in one parade;

fixed the rope on the flagpole at the elementary school;

had six calls for the portable pump;

had one call for oxygen.

We also have men in the Fire House some time in every 24 hours to check the equipment.

This year we had two fires which were very serious. Upon inspecting one of these fires, we believe the fire started in or around the furnace. The furnace had not been checked for safety devices.

If your furnace has not been checked and a permit written out, and you want one, Call the Fire Chief, Robert Belcher, at 642-3338.

Thank You,
ROBERT BELCHER
Chief of the Fire Department

Report of the Firemen's Association

The Firemen's Association, since July, has been running Beano every Saturday night. With the money earned from Beano, the Association has ordered a 1974 4-wheel drive, ¾ ton Ford pickup truck. This new vehicle is to replace the 1935 Ford.

We are also working on the Fire House to get it finished.

Exeter Area Visiting Nurse Association Annual Report 1973

The Exeter Area Visiting Nurse Association is a Community Health Service providing skilled nursing care on an intermittent basis and physical therapy to patients in their homes. Service is provided by registered professional nurses and a registered physical therapist experienced in public health. Care is provided through orders from each patient's physician.

The nurse gives treatments such as changing surgical dressings, hypodermic injections, etc. She assists with the rehabilitation of persons (of all ages) handicapped by arthritis, heart trouble, diabetes, cancer, stroke, mental illness, accidents, and similar conditions. The nurse instructs designated persons to give needed care between nursing visits, and teaches families and individuals good nutrition and understanding of special diets; she advises new and expectant mothers in the care of themselves and their babies; provides tuberculosis and psychiatric follow-up and refers, when appropriate, to other agencies. The physical therapist evaluates, establishes, and supervises, and/or carries out a program to return the patient to his maximum abilities.

The Association provides the services of a Home Health Coordinator to the Exeter Hospital, who assists in planning for the necessary care required for the patient to return to his home.

A Well Child Clinic, sponsored by the Association and the Division of Public Health, is held monthly, and provides physicals, immunizations, and well child care to eligible children.

As of October 31, 1973, a total of 26 nursing and therapy visits were made to 12 individuals in East Kingston.

Information or service may be obtained by calling the VNA Office between 8:00 and 4:00, Monday thru Friday, at 17 Prospect Avenue, Exeter, N. H. Phone 772-2981.

Mrs. Elaine Bean 642-3450
Representative from East Kingston
Board of Directors, Exeter Area V.N.A.

**REPORT OF THE SEACOAST
REGIONAL COUNSELING CENTER**

Board of Selectmen
East Kingston, New Hampshire

Gentlemen:

I am writing regarding our 1973-74 request of \$500.00 from East Kingston for the Seacoast Regional Counseling Center.

During this last fiscal year, 72-73, we served four people from East Kingston for 27 hours of treatment which cost us, at \$25.00 per hour, \$673.00.

I hope that the Selectmen and the people of East Kingston continue to support us, for our State of New Hampshire grant is dependent on the level of local contributions.

I am enclosing our 72-73 Report and would be glad to talk with you further about any questions you may have.

Thank you for your consideration.

Sincerely,

RICHARD D. LOCKHART
Administrative Director

East Kingston Historical Committee
December 31, 1973

This committee was authorized at the Annual Town Meeting on March 6, 1973. Appointments of members to serve on the committee were made by the Board of Selectmen during April and the first meeting took place in May. The monthly meetings are held on a rotational basis at each of the committee member's homes.

The committee decided to concentrate on the following projects:

1. Set up geneological records for the families located in East Kingston prior to November 17, 1738, also, records for families who settled here between 1738 and 1851.
2. Transcribe the original church records.
3. Locate the sites of the homes of the early settlers, e.g.: Blasdel, Currier, Gale, French, Godfrey, Webster, Tilton, Brown, Smith, Sanborn, Greeley, Buswell, Bachelder, etc.
4. Location of family cemeteries.
5. Location of early roads.
6. Obtain pictures of the older houses and original location of houses moved or no longer in existence.

The committee will appreciate donations of original records or copies of early town records, also pictures of older houses built prior to the Civil War.

The Board of Selectmen has indicated that they will obtain a fireproof safe cabinet to safeguard historical records.

FREDERIC L. SMITH
ARDITH POLLETA
PHYLLIS BAKER
Historical Committee

Report of Conservation Commission

The Conservation Commission has had an observer at most of the meetings of the Eastern Rockingham Regional Solid Waste Disposal Planning Board. This board is made up of representatives of Kensington, Hampton Falls, Seabrook, & South Hampton. It has had the encouragement and assistance of the Southeastern Regional Planning Commission in studying the problems of solid waste disposal and investigating possible solutions.

The reports of this group's work caused your Commission to consider an article for the warrant to give us official representation on this board. In November, Kensington, Hampton Falls, and South Hampton voted against associating themselves with Seabrook in a resource recovery system with sanitary land fill, and, for the moment at least, any regional plan for solid waste disposal is dead.

If the regional plan is revived or a new group of towns organize, your Commission will try to keep informed. In the meantime, however, we shall continue to study any possible ways by which we may improve on solid waste disposal in our Town.

In October your Commission sat in Special Session to approve the plans for the pond on the Will Rose Farm.

Mr. Eugene Finch, of your Commission, has spent many hours in research at both our registry of deeds and in the archives in Concord in an effort to learn the abutments of the town land. It is his and your Commission's hope that a permanent natural preserve may be a result of this effort.

Mrs. George Brinkerhoff represented your Commission at a meeting in Hampstead. One of the purposes

of this meeting was to make a start toward uniting all the Conservation Commissions of Rockingham County. The idea has a logical base in that many problems are similar or even related from one town to the next, as in the case of polluted water in a stream.

Respectfully submitted,

DAVID BOUDREAU, Chairman
RICHARD PELLEY
EUGENE FINCH
PATRICIA BRINKERHOFF
GEORGE STANHOPE
Conservation Commission

Report of the East Kingston Planning Board

Immediately after the March, 1973 Town Meeting, the selectmen appointed George Fitzgerald to a full four year term. Mr. Fitzgerald had served in previous months to fill a vacancy caused by a resignation. Mr. Richard Smith was also appointed to fill a vacancy caused by the resignation of Peter Farnum.

The Planning Board has tried to follow and carry out its duties in accord with the zoning ordinance and subdivision regulations. Some of the transactions this year required repeated reference to town and state regulations and two special workshop sessions of the board.

Major actions taken during 1973 are:

January — Approved single lot subdivision for Carolyn Christie on Route 107A.

February — Approved subdivision of lots 1 - 6 for Alfred Paul on South Road.

March — Board agreed to meet regularly on the third Wednesday of each month at 7:30 p.m. in the Town Hall.

April — Worked on subdivision request.

May — Worked on subdivision requests.

June -- Public hearing held for single lot subdivision for Frank Hardy on South Road. Approved. Public hearing held for lots 7 - 11 for Alfred Paul on Terrace Lane, off South Road. Granted preliminary approval.

July — Public hearing held on single lot subdivision on Routes 107 and 108 for Joseph Perry. Approved.

August — Preliminary plan for single lot subdivision on Giles Road by Francis R. Davis was turned down for reasons explained to Mr. Davis.

September — Preliminary hearing for a two lot subdivision for Henry Lewandowski on Route 108 was held. Due to lack of proper posting, the hearing was rescheduled for October 1.

The selectmen granted a 90 day extension on the Terrace Lane subdivision for construction of road in lieu of required bond.

It was agreed that the selectmen should appoint a special Tax Map Committee rather than assign task to the Planning Board.

October — Special hearing held for Lewandowski subdivision and preliminary approval given.

Worked with subdivision requests at regular meeting.

Special work meeting with Town Engineer Durgin.

November — Special work meeting with Town Counsel Donovan on revision of Zoning Ordinance.

Final approval granted for Lewandowski subdivision.

Drafted proposed changes in Zoning Ordinance.

Presented maintenance bond to Alfred Paul as step toward final approval of Terrace Lane subdivision.

December — Terrace Lane subdivision approved after posting of \$1500 road maintenance bond.

On December 26, notices were posted for public hearing on proposed Planning and Zoning Ordinance changes.

In the past, Planning Board approvals of subdivisions have been on a parcel by parcel basis, sometimes lacking the proper procedure as required by town and state regulations. We have tried to correct this situation by holding public hearings, etc., as required and we hope to give much more consideration to future use and possible development of each area or parcel presented for subdivision. The Planning Board hopes to start work on a Master Plan for the town which will give everyone an insight into how we believe the town should develop.

Any person who is planning to sell or buy land which is a portion of a larger parcel should check with the Planning Board to learn what the subdivision requirements are and thus avoid a possible illegal transaction and liability for penalty.

REPORT OF THE EAST KINGSTON TAX MAP COMMITTEE

During 1973 the Selectmen appointed a five-man committee to look into the types and cost of Tax Maps available to comply with the New Hampshire law requiring all towns to have a Tax Map by 1980.

The committee has had several meetings during the year and has interviewed several companies offering a wide range of proposals and prices. We have also met with neighboring towns and are working with them to determine the savings and prospects of working as a group.

The committee will have information on Tax Maps available at the Town Meeting.

EVERETTE STONE, CHAIRMAN
DAVID J. CONTI, SECRETARY
JAMES GREY
ALFRED SULLIVAN
GEORGE BRINKERHOFF

East Kingston School District Meeting

The annual meeting was called to order on March 14, 1973 at 7:30 p.m. in the Town Hall by Moderator Robert Donovan who then read the warrant. Action on each individual article followed.

Article I, To choose a moderator for the ensuing year.

The name of Robert Donovan was nominated from the floor and seconded. A motion was made and seconded that the nominations and that the clerk cast one ballot for Robert Donovan for moderator. After an affirmative vote, the clerk cast the necessary ballot and Mr. Donovan was declared elected.

Article II, To choose a clerk for the ensuing year.

The name of Richard Kelley was nominated from the floor and seconded. There being no other nominations, it was moved, seconded and voted affirmatively that the nominations cease and that the moderator cast one ballot for Richard Kelley for clerk. When this had been done he was declared elected.

Article III, To choose a member of the School Board for the ensuing three years.

Since two persons had filed with the clerk for the office, it was moved, seconded and voted to elect by secret ballot. The moderator declared the polls open and they remained open until all present who wished to vote had voted, whereupon the moderator closed the polls. There were 65 ballots cast: Mrs. Wilma Young received 42 votes and Mrs. Ruth Joslin 21, with two votes being disqualified. Mrs. Young was declared elected.

Article IV, To choose a treasurer for the ensuing year.

It was moved, seconded and voted that the clerk cast one ballot for Mrs. Clifford Gallagher, the only candidate who had filed. When this one ballot had been cast the moderator declared her elected.

Article V, To choose two auditors.

It was moved, seconded and voted affirmatively that the clerk cast one ballot each for the two persons who had filed, namely George Fitzgerald and Mrs. Mary Kelley. When these two ballots had been cast they were each declared elected.

Article VI, To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the district.

It was moved, seconded and voted that the school district raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the district the sum of \$208,474.00 and that there be applied against said appropriation such sums as are estimated revenues and that the School Board be authorized to certify to the selectmen the balance between the estimated income and the appropriation as an assessment to be raised by the Town by taxes.

Article VII, To hear reports of agents, auditors and committees or officers heretofore chosen and to pass any vote relating thereto.

It was moved, seconded and voted to accept the report of the auditors as printed in the School District report.

It was moved, seconded and voted that an itemized statement of the new elementary school building account be printed.

Retiring School Board member Mrs. Ruth Joslin introduced the new superintendent for Supervisory Union #16, Mr. Jerome F. Melvin.

Article VIII, To transact any other business that may come before this meeting.

A motion was made that the School Board pursue, with the aid of legal counsel if necessary, the matter of

recovering excess money paid for heating costs. An amendment was suggested and accepted by the author of the motion as follows: "and any other difficulties which may arise." After lengthy discussion both the amendment and the motion were withdrawn.

The meeting then adjourned by declaration of the moderator at 8:22 p.m.

Respectfully submitted,

RICHARD G. KELLEY
Clerk

**SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District of East Kingston, in the County of Rockingham and said State, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said East Kingston on the 12th day of March, 1974, at 7:30 o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose two Auditors.
6. To see if the District will vote pursuant to RSA 31:05 to provide indemnification for district employees, school administrators, school board members, district officers or agents from personal loss or expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to property providing the indemnified person was at the time of the accident acting within the scope of his employment of office.
7. To see if the District will vote to authorize the employment of an Assistant Teacher Consultant for Supervisory Union 16, as provided in RSA 186:11, XXII and XXIII, effective July 1, 1974, and raise and appropriate the sum of Eight Hundred Eighty-Five Dollars (\$885.00) as East Kingtons's share of the salary, travel, retirement, F.I.C.A., and Blue Cross-Blue Shield.

8. To see if the District will vote to approve a shared transitional class with Brentwood and Kensington at a total cost of \$11,150.00 and to raise and appropriate the sum of Three Thousand Four Hundred and Eighty-Five Dollars (\$3,485.00) as East Kingston's share of this class.

9. To see if the District will vote to approve transportation for the students attending the shared transitional class and to raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500.00) for such transportation.

10. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the District.

11. To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

12. To transact any other business that may come before this meeting.

Given under our hands at East Kingston this 23rd day of February, 1974.

E.MELVIN BOWLEY
EVA L. SMITH
WILMA A. YOUNG
School Board of East Kingston, N.H.

A true copy of Warrant—Attest:

E. MELVIN BOWLEY
EVA L. SMITH
WILMA A. YOUNG
School Board of East Kingston, N.H.

I certify that on the 23rd day of February, 1974, I posted copies of the within warrant, attested by the School Board of said district, at the place of meeting within named, and at the Post Office, being public places in said district.

E. MELVIN BOWLEY, Chairman
East Kingston School Board

Rockingham, ss.

Personally appeared the said E. Melvin Bowley and made oath that the above certificate by him signed is true.

Justice of the Peace

All of the fine playground equipment and the flag pole at the new school were donated by the Police Association of East Kingston. The labor involved in this project was all voluntary on the part of men and women of the town. A debt of gratitude is owed to all of these people for their contribution of time and effort for the children of East Kingston.

Report of the Superintendent of Schools Jerome F. Melvin

The quality of our educational program continues to improve in East Kingston through the efforts of Mr. Richard Fitzpatrick and his dedicated staff.

As students entered the new elementary school for its second year of operation, it became very apparent that the staff is committed to providing the best possible program for our boys and girls. In fact, as Mr. Fitzpatrick noted in his annual report, staff and pupils alike were eager to continue the programs introduced during the 1972-73 school year.

Mr. Fitzpatrick has written that the East Kingston non-graded center approach in reading has served as an excellent transition to the levels approach implemented throughout Supervisory Union 16. In this approach, the child works at his appropriate level in reading and math. As he moves from one level to the next, he is allowed to work with more difficult concepts.

Special areas of the East Kingston curriculum are being team taught by our staff. In addition, a special after school program for fifth and sixth grade boys and girls has been introduced to give our pupils more exposure to home economics and sports activities.

Through involvement in the Supervisory Union 16 learning disability program, East Kingston children are receiving extra help from Miss Judy Gallahan, a staff member at the learning disability center.

The financial frustrations of attempting to provide quality education in a state which ranks last among all fifty states as regards state aid to local communities continues to plague us. One cannot but be impressed by the sacrifices of our local citizens who assume the burden of supporting their local schools almost entirely through property tax dollars.

As in the past, our average per pupil costs for both the AREA Junior High School and the AREA Senior High School compare most favorably with other New

Hampshire secondary schools. The tuition rate for 1974-75 as announced by the Exeter School Board and approved by the State Department of Education:

AREA Junior High School

Estimated per pupil costs for 1973-74	\$821.18
Rental charges	42.82
	<hr/>
Tuition for 74-75 - JHS	\$864.00

AREA Senior High School

Estimated per pupil costs for 1974-75	\$963.42
Rental charges	43.58
	<hr/>
Tuition for 74-75 - SHS	\$1,007.00

These estimated per pupil costs for 1973-74, in accordance with the AREA contract, are the basis for determining tuition rates for the 1974-75 school year. A rental charge is added to complete the tuition cost.

The latest New Hampshire junior and senior high school average per pupil costs, based on the 1972-73 school year, are \$857.00 and \$931.00, respectively. Thus, the comparative state costs are two years behind the AREA tuition figures for the 1974-75 school year.

In November 1973, the Exeter School Board requested a month's delay from the State Board of Education so that a plan for the establishment of the Exeter School District as a single supervisory union could be presented at the December meeting of the State Board. This request was denied.

Consequently, at the Supervisory Union 16 joint board's annual financial meeting in December, board members from the six school districts voted to form two committees. One committee would study the possibility of adding an additional administrator to the central office staff while the second committee would be charged with developing a plan for the reorganization of Supervisory Union 16. Since that time, the joint boards

have employed Mr. Jason Boynton, from the New Hampshire School Board's Association, as a planning consultant.

Regardless of any recommendations that might be made and any possible future actions, I believe that the joint boards have acted wisely in collectively trying to solve their mutual problems. Hopefully, such recommendations will prove beneficial to all six school districts and result in improved central office operating efficiency.

The present staff and their assignments for 1973-74:

Sally Bowen	Grade 1	Brown's Academy
Blanche Loch	Grade 2	Brown's Academy

Report of the Business Administrator Daniel C. Durgin

It is not surprising that we often feel the significance of change since, as someone once said, "change is all around us." In reviewing various reports printed in the 1973 School District Report, I noted with interest the number of administrators and board members who mentioned the many changes which had occurred during the previous year. I would like to mention two or three of the newer developments in our system.

Facilities

The students and staff of the Brentwood School District, upon their return to school in September, were pleased to find the new addition to the Swasey School ready for their occupancy. The new facility consists of six classrooms and a large resource center. It is electrically heated and boasts carpeting throughout. It is a most attractive and functional facility and one in which the town's citizens can take extreme pride. Noteworthy too is the fact that the total cost ran under \$18 per square foot, which was the lowest per square foot cost for schools in the state for 1973.

In June, the offices of Supervisory Union #16 were relocated to Main Street School Annex in Exeter. Our new location offers the Union staff an enlarged facility with ample room for equipment and storage of supplies and administrative records.

In August, the voters of Exeter approved the purchase of 36 acres of land located just south of the Junior-Senior High site. This acreage is flat, relatively dry land and will be developed for athletic fields. At present, a committee is at work formulating recommendations for presentation to the Exeter School Board.

Economy

This report would not be complete without a word about the dramatic changes in our economy and its impact on our schools. Recent months have brought rapid increases in costs of many materials and supplies used in

the operation of our schools. Most noteworthy in this category are fuel oil and school paper. Prices for certain types of commodities have more than doubled over the past year. This not only makes budget forecasting extremely difficult, but it places extreme and unpredictable pressure on current budgets. All of us, I am sure, share the same hope that the rapid escalation in prices of essential goods will level off and, hopefully, decline.

Personnel

In conclusion, I would like to mention something that does not change, and that is the efficiency and dedication of our support personnel. I fear at times, we tend to overlook the contribution of these individuals as they continue to perform their important duties in a quiet and efficient manner. Therefore, I would like to thank them all publicly for their dedicated service to their respective school districts and Supervisory Union #16.

REPORT OF SCHOOL HEALTH SERVICES

East Kingston Elementary School

To the Superintendent of Schools:

During the past year the School Health Services have provided vision and hearing screening for students. After thorough discussion with the school physician and the School Board, it was decided that physical examinations previously offered to Fourth Grade students will not be done in school this year. Lack of adequate space and facilities to do thorough examinations prompted this change in policy. Instead, reminders are being sent home to parents that, if their child has not had a recent physical, this might be a good time to have a check-up with the family doctor.

Perhaps the biggest advance for health services over the past year has been the development of a formal Health Education Curriculum for elementary schools. As a result of meetings of the Union 16 Health Education Curriculum Committee, it was decided to initiate the Scott Foresman Health and Growth series in grades 1 through 6. This particular program emphasizes hygiene, dental care, nutrition, and safety, all areas of importance to elementary school children.

I would like to express my thanks to those volunteers who have helped with the School Health Program in the past. I hope that I will have their continued support. I would like to express my appreciation to the School Board, Superintendent of Schools, Principal Richard Fitzpatrick, members of the staff, and Dr. John Tuthill, school pediatrician, for their help and cooperation this year.

Respectfully submitted,
Vinie M. Scamman, R.N.
January 10, 1974

Annual Report of Teacher Consultant East Kingston - January, 1974

Since the last report of a year ago, much has been happening in our elementary schools. Title I funds extended to East Kingston have helped in providing a service to the learning-disabled child. A center is located in Exeter and three trained specialists are available to serve the schools of S.U.#16. One of these comes on a regular basis to the schools of East Kingston and is helping to solve some of the specific learning problems that certain children have. The program concentrates on children in the primary grades. We hope it will continue in 1974-75.

Perhaps the most significant change in our elementary school program is the change to more emphasis on individual needs and the adoption of a "levels" approach in our reading and mathematics. This, of course, resulted in a new reporting system to parents. The levels approach allows for more variations in the instructional program. These affect what the student learns, how rapidly he learns, and how he goes about learning.

Much of the Fall has been spent in working with the staff in making changes which will result in more attention to the individual child, more careful planning of what is to be taught, and a more thorough job of assessing how well the student is grasping the skills taught. There is much yet to be done. At this writing only the primary grades have made the necessary transision to the "levels" approach.

I am convinced that, with our new reading programs, levels approach, better accounting for student learning, we are well on the road to fulfilling education's ultimate goal—that of helping each child to achieve his full potential. I feel this concentration of effort in the elementary years will pay us many future dividends by giving us a better prepared student with a more positive attitude in the secondary school. We still need to find ways of dealing with the immature first grader. Many of our towns in S.U. #16 have a transition class where these students

spend a successful year in development before entering grade one. You are being asked to consider a proposal which will solve this problem here. That first year of school is so important and many lasting impressions are formed during the early years of school.

One of the exciting things about working in education is that one is constantly seeking newer and better ways to reach more children. After twelve years in S.U. #16, I can say we have made many changes and yet I can see that there is much to do, much that can be improved, and I look to the day when I can honestly say we are doing the very best we can for every child who goes through the public schools of this community.
